

# MINING PHILIPPINES 2017

INTERNATIONAL CONFERENCE AND EXHIBITION

SEPTEMBER 5-7, 2017 | SOFITEL PHILIPPINE PLAZA MANILA

**“ENHANCING THE STRATEGIC POSITION OF MINERALS  
and METALS IN THE GLOBAL LANDSCAPE”**

# MINING PHILIPPINES EXHIBIT AND CONFERENCE 2017

## SEPTEMBER 5-7, 2017 | SOFITEL PHILIPPINE PLAZA MANILA

**Mining Philippines Exhibition and Conference** is the Philippines' leading convention for people, companies and organizations interested in mineral exploration, development, and utilization. Spread over three days, the annual Conference held in Manila, Philippines, has grown considerably since it began in 1997 and today is the event of choice for investors and industry players wanting a better understanding of the opportunities currently on offer in the country.

The Conference will be held at the **Sofitel Philippine Plaza Manila from Tuesday, 5th September to Thursday, 7th September 2017.**

Designed for resource investors to better understand current investment opportunities in the mining and exploration sector, the conference brings senior company executives and resource investors together in a perfect setting. In addition to **meeting hundreds of exhibitors and 2,000 local and foreign attendees**, delegates will also have the opportunity to attend focused group discussions and important networking events.

This year's Conference promises to be even more noteworthy as we ask industry experts and leaders to share their thoughts on the industry's future in the global and regional developments. The government's minerals and industrialization policy, and how investors can navigate the ever-shifting policy and regulatory landscape in Philippine mining will likewise be discussed.

The Exhibition floor will feature listed resource companies showcasing their investment credentials as well as local and foreign suppliers highlighting their equipment, skills, and services via the exhibition and formal presentations at the conference.

Visit [www.chamberofmines.com.ph/events.html](http://www.chamberofmines.com.ph/events.html) for the map of the exhibition floor and other details!

Mining Philippines 2017 promises to be another unforgettable affair. We hope to see you there!
