MR. BENJAMIN PHILIP G. ROMUALDEZ

President

Chamber of Mines of the Philippines

Rm. 809 Ortigas Bldg.,
Ortigas Ave., Pasig City

Dear Mr. Romualdez:

On behalf of the staff and volunteers of the Philippine National Red Cross (PNRC), we acknowledge and warmly thank you for your generous donation of One Million Pesos (P1,000,000.00) the victims of Tropical Storm Ketsana (Typhoon "Ondoy") and Tropical Storm Parma (Typhoon "Pepeng").

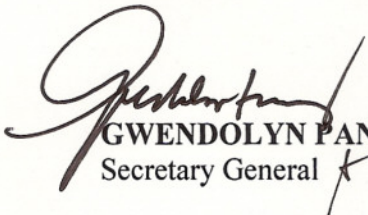

The assistance you provided during this time of need will go a long way to helping the thousands of Filipino families affected by Typhoons Ondoy and Pepeng rebuild their lives. With the help you extended, you have aided us in responding to the call of the Filipino people; in rescuing those who have lost their homes and possessions, providing relief for those who are left with little or nothing at all, and hopefully, restoring to normalcy the lives of the hundreds of thousands affected by the disaster. Your assistance has further enhanced the commitment we have in serving the community.

The PNRC will always live with its principles to be the premier humanitarian organization reaching out to more people and immediately providing them humanitarian services at par with international standards. Knowing that we have supporters like you inspires us to perform our sworn duty in alleviating the sufferings of those in need.

If you are interested in working further with the PNRC in the future, we will gladly sit down with you at your most convenient time and discuss means on how you can be a partner. Mr. Rene Rainier Pangan, Program Officer of the Fund Generation Department, will directly coordinate with your office regarding this. He can be reached at (02) 525.7679 or (02) 404.0979.

Once again, thank you for the assistance you have extended to your fellow Filipinos in their time of need.

Sincerely,

GWENDOLYN PANG
Secretary General
